  http://secretariageneral.ugr.es/pages/buzon
What powers are granted to the Secretariat or General Secretariat?

The following powers correspond to the General Secretariat:

- Writing up and guarding the minutes of the sessions of the general collegiate bodies of governance and representation, the minutes of inauguration, and sending out the corresponding certifications.
- Keeping the Register, guarding the Archive and University Seal and sending out the corresponding certifications.
- Guaranteeing the dissemination and publicity of the agreements, resolutions, regulations and other general rules of institutional operation, especially among the members of the University Community.
- Assuming any other powers which are delegated by the Rector or which are ordered by law, in the Statutes or their implementing provisions.

What services does the administrative department of the General Secretariat provide?

The Administrative Department of the General Secretariat is mainly responsible for:

- The management of the agreements signed by the UGR with public institutions, private organisations and businesses.
- The processing of appointments and dismissals of the University’s individual bodies of governance and management.
- The provision of technical and administrative support to the Governing Council and University Board.
- Administrative management of the electoral processes of the University Board, Governing Council and the election of Rectors.
- Management of registers and complaints in the electoral processes of Centre Boards, Departmental Councils and Academic Research Institutes.
- The management and, if appropriate, the authorisation of applications for transfer of personal data.
- Processing of file registration and creation, modification or deletion of files containing personal data.
- Interuniversity coordination in protection of personal data.
- Registration, where appropriate, in the corresponding register, of the creation, modification or deletion of web servers.
- Management of identity registers for end-user electronic signature certificates.

Updating the website with relevant university legislation.
Updating the General Secretariat website with the members of the individual governing bodies of Centres, Departments and Institutes.
